

## TOUCH CONTROL

## TOUCH SWITCH

WATTAGE

**max. 36** Watt

INPUT VOLTAGE

**12** Volt DC

WATTAGE

**max. 72** Watt

INPUT VOLTAGE

**24** Volt DC

## TECHNICAL DATA

|               |                                                                                                                                                                         |
|---------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Input voltage | 12 / 24 Volt DC                                                                                                                                                         |
| Wattage       | max. 36 Watt at 12 Volt DC<br>max. 72 Watt at 24 Volt DC                                                                                                                |
| Type          | 2000 mm mains lead with LED plug<br>500 mm lead with LED socket<br>100 mm sensor lead with ring terminal M4                                                             |
| Dimensions    | 90 x Ø 10 mm                                                                                                                                                            |
| Remarks       | installation on secondary side between transformer and light, for touch sensitive switching of LED lights, can be build into lights because of the compact construction |

Subject to technical modifications. Special lengths and customized versions are available upon request.
